

HEALTH INFORMATION TECHNOLOGY

CODE: HIT 120 **TITLE:** Introduction to Healthcare and Public Health

DIVISION: Health Sciences

<u>Course Description:</u> A survey of how healthcare and public health are organized and services delivered in the US. It covers public policy; relevant organizations and their interrelationships; professional roles; legal and regulatory issues; and payment systems. It also addresses health reform initiatives in the US. It discusses how care is organized within a practice setting, privacy laws, and professional and ethical issues encountered in the workplace.

CREDITS: 3 cr.

REQUIRED MATERIALS (CHECK BOOKSTORE FOR LATEST EDITION):

Click on the bookstore for the supplies which you are attending each class. Rcbc.edu/bookstore

COURSE LEARNING OUTCOMES:

Upon completion of this course, students will be able to:

- Describe the medical model of healthcare in the US to include the paradigm shifts in healthcare, the administrative and functional entities that deliver care, the types and roles of personnel involved in healthcare, the major types of settings delivering healthcare, the common forms of care delivery, the types and functions of health care agencies, and the keys issues driving healthcare reform.
- Define the healthcare financial structure, including insurance plans, third party payers, Medicare, Medicaid, the different managed care organizations, methods of medical coding, billing, and reimbursement.
- Identify the legal issues involving medicine including the Health Insurance Portability and Accountability Act (HIPAA), privacy, confidentiality and security in healthcare, medical malpractice, tort reform, medical ethics, and professional values in the delivery of healthcare.
- Describe the organization and history of Public Health in the US, including Public Health's role in averting epidemics, bioterrorism, and managing illness.

 Recognize the common forms of quality measurement, performance improvement, evidence-based medicine, clinical practice guidelines, and quality indicators in medicine, including the major processes of information gathering and documentation by clinicians and the implementation of meaningful use of health information technology in the context of the Health Information Technology for Economic and Clinical Health (HITECH) Act.

GENERAL EDUCATION OUTCOMES IN THIS COURSE:

Written and Oral Communication: Communication	* Students will communicate meaningfully with a chosen audience while demonstrating critical thought.
Technological Competency or Information Literacy: Technology	* Students will demonstrate competency in office productivity tools appropriate to continuing their education.
	* Students will demonstrate the skills required to find, evaluate, and apply information to solve a problem.

CORE COURSE CONTENT:

- Introduction and History of Modern Healthcare in the US
- Delivering Healthcare (Part 1)
- Delivering Healthcare (Part 2)
- Financing Healthcare (Part 1)
- Financing Healthcare (Part 2)
- Regulating Healthcare
- Public Health (Part 1)
- Public Health (Part 2)
- Healthcare Reform
- Meaningful Use
- An Overview of the Culture of Healthcare
- Health Professionals the People in Healthcare
- Healthcare Settings The Places Where Care is Delivered
- Healthcare Processes and Decision Making
- Nursing Care Processes
- Quality Measurement and Performance
- Ethics & Professionalism
- Privacy & Security

- Sociotechnical Aspects: Clinicians and Technology
- Public Health and Healthcare System Terminology
- What is Health Information Management and Technology?
- Electronic Health Records
- Standards to Promote Health Information Exchange

Course Activities:

Course activities vary from course to course and instructor to instructor. Below is a listing of some of the activities students can anticipate in this course:

- ▶ Writing assignments: students will analyze current issues in the field using current articles from the popular press as well as library research including electronic resources databases.
- ▶ <u>Speaking assignments</u>: students will present research individually or in groups using current technology to support the presentation (e.g., PowerPoint presentation); students will participate in discussions and debates related to the topics in the lessons. Discussions may also focus on cross-cultural and legalethical dilemmas as they relate to the course content.
- ▶ <u>Simulation activities</u>: Trends and issues will analyzed for their ethical as well as social or legal significance. Students might role-play common situations for classmates to analyze. Current news articles may be used to generate discussion.
- ► <u>Case Studies</u>: Complex situations and scenarios will be analyzed in cooperative group settings or as homework assignments.
- ▶ <u>Lectures:</u> This format will include question and answer sessions to provide interactivity between students and instructor.
- **Speakers:** Representatives from various related fields may be invited to speak.
- ▶ <u>Videos</u>: Related topics will provide impetus for discussion.

EDUCATIONAL TECHNOLOGY:

Rowan College at Burlington County advocates a technology enhanced teaching and learning environment. Advanced technological tools may be used in any course section to facilitate instruction. Many of our sections are web-enhanced, which means that some of your work will be submitted or completed online. Web enhancements may include online materials, grade books, testing and quizzes and assignment submission. Many students enjoy the flexibility and convenience that these online enhancements have provided, however if you have concerns about the technology involved, please speak to your instructor immediately.

STUDENT EVALUATIONS:

The student will be evaluated on the degree to which student learning outcomes are achieved. A variety of methods may be used such as tests, quizzes, class participation, projects, homework assignments, presentations, etc.

See individual instructor's course handouts for grading system and criteria (point value for each assessment component in course, e.g. tests, papers, presentations, attendance etc.), number of papers and examinations required in the course, and testing policy including make ups and/or retests.

GRADING STANDARD:

- A Mastery of essential elements and related concepts, plus demonstrated excellence or originality.
- B+ Mastery of essential elements and related concepts, showing higher level understanding.
- B Mastery of essential elements and related concepts.
- C+ Above average knowledge of essential elements and related concepts.
- C Acceptable knowledge of essential elements and related concepts.
- D Minimal knowledge of related concepts.
- F Unsatisfactory progress. This grade may also be assigned in cases of academic misconduct, such as cheating or plagiarism, and/or excessive absences.

For other grades, see the current ROWAN COLLEGE AT BURLINGTON COUNTY catalog.

COLLEGE POLICIES:

The current college catalog and student handbook are important documents for understanding your rights and responsibilities as a student in the RCBC classroom. Please read your catalog and handbook as they supplement this syllabus, particularly for information regarding:

- ► Academic Integrity Code
- Student Conduct Code
- Student Grade Appeal Process

OFFICE OF STUDENT SUPPORT AND DISABILITIES SERVICES:

RCBC welcomes students with disabilities into the college's educational programs. Access to accommodations and support services for students with learning and other disabilities is facilitated by staff in the Office of Student Support (OSS). In order to

receive accommodations, a student must contact the OSS, self-identify as having a disability, provide appropriate documentation, and participate in an intake appointment. If the documentation supports the request for reasonable accommodations, the OSS will provide the student with an Accommodation Plan to give to instructors. Contact the Office of Student Support at 609-894-9311, ext. 1208 or visit the website at: www.rcbc.edu/studentsupport

ADDITIONAL SUPPORT/LABS:

RCBC provides academic advising, student support personal counseling, transfer advising, and special accommodations for individuals with disabilities free to all students through the Division of Student Services. For more information about any of these services, visit the Laurel Hall on the Mt. Laurel Campus, or call (609) 894-9311 or (856) 222-9311, then dial the desired extension:

- Ext. 1557 Academic Advisement and Counseling
- Ext. 1803 Special Populations
- Ext. 2737 Transfer Center

Or visit the following websites:

Academic Advising www.rcbc.edu/advising
Student Support Counseling
Transfer Center www.rcbc.edu/counseling
www.rcbc.edu/transfer

RCBC offers a free tutoring for all currently enrolled students. For more information regarding The Tutoring Center call Extension 1495 at (609) 894-9311 or (856) 222-9311 or visit the Tutoring Center Website at www.rcbc.edu/tutoring
